

PRIVACY POLICY

AG Engineering Construction Contracting Marketing Trade Co. Ltd. ("Company") acts within the framework of privacy principles. These privacy principles have been prepared to determine the privacy responsibilities of our website, www.maintech-tr.com.

- Information is entered from our Website only for product/service applications and information updates.
- Necessary measures have been taken by keeping our company's system and internet infrastructure at the most reliable level in terms of the security of the information entered on our Website.
- Information entered by our customers on our Website for product/service applications and information updates cannot be viewed by other internet users. Unauthorized access to information shared by our customers with us is restricted, including Company personnel.
- The Company will not share the information in question with any third party, institution or organization without the approval of the customers or unless under a legal obligation.
- The Company may only disclose this information within the framework of the necessary authorities and legal regulations. When the regulatory bodies and/or legislative, executive and administrative bodies to which the Company is subject request the disclosure of customer information, the Company will disclose this information only within the framework of the necessary authorities.
- Our Website may provide links to other websites. The commitments in our Privacy Policy are valid only within our website and do not cover other websites. The privacy guarantee and terms of use of other websites to be accessed via links from our Website are valid for those sites. The Company is not responsible for the information usage, ethical principles, confidentiality principles, quality and service quality of other websites that are accessed from our website for possible advertisement, banner, content or any other purpose, and any material/moral damages and losses that may occur on these sites.
- In the event that the Company works with different organizations to receive support services, it will ensure that these companies comply with the company's privacy standards and terms.
- The copyrights on the information, materials and their arrangement on our website belong to the Company. All copyrights, registered trademarks, patents, intellectual and other property rights regarding the information and materials other than the materials belonging to third parties included in our Website are reserved by our Company.
- In order to protect the confidentiality of our customers' personal information, our company's system and internet infrastructure have been kept at the most reliable level and necessary precautions have been taken. In addition, do not hesitate to consult our company on issues requiring additional information.

You can obtain detailed information about the use and protection of your personal data within the scope of the Personal Data Protection Law ("KVKK") in force in order to protect your personal data.

Best regards,

AG Mühendislik İnşaat Taahhüt Pazarlama Ticaret Ltd. Şti.
